Cornwall Public Library

World Water Day, March 22,

18h00 : français

7pm: English

Explorez nos « mers intérieures », la plus grande concentration d'eau douce au monde : les Grands Lacs. Ce voyage captivant vous transportera vers quelques-uns des paysages les plus spectaculaires sur Terre, où vous découvrirez comment l'humain a failli détruire ces lacs à jamais, et comment ils furent sauvés. Bibliothèque municipale de Cornwall, 18h00.

Pour réserver votre place:
appelez l'Institut du fleuve au 613-936-6620 ou
envoyez un courriel à Elizabeth, eboileau@riverinstitute.ca

Travel to the "inland seas," the world's largest concentration of freshwater – the Great Lakes. This dramatic journey will transport you to some of the most spectacular scenery on the planet, where you'll discover how humanity brought these lakes to the brink of destruction, and back.

To register, please call the River Institute at 613-936-6620, or e-mail Elizabeth at eboileau@riverinstitute.ca.
